60 cm single door freezer H177 cm

Heritage Series

FRZ603UBNPTC/20

Bertazzoni built-in freezer column are designed, engineered with the highest grade materials and components. These refrigerators integrate seamlessly with all other Bertazzoni appliances into style-harmonized suites for a true, high-performing kitchen.

This single door freezer are designed to fit seamlessly into any kitchen configuration due to the door on door installation and its reversible door.

The internal configuration is designed for maximum flexibility thanks to its 197L capacity. This refrigerator has 6 regular crispers + 2 flap. Interior LED lighting on top provides bright interior illumination with minimal energy consumption. Its intuitive touch display allows temperature setting, "Super Cooling" and "Economy" function activation.
