

90 cm 5-burner electric double oven Master Series

MAS905MFEDXE

The double-oven range cooker give great versatility and style to your kitchen. The main oven electric oven has 11 functions, from convection, baking and grilling to warming and features a thermometer on the control panel. The useful auxiliary oven has four modes. Triple-glass doors minimise heat loss.

The hob has five versatile gas burners in brass including a dual-ring power burner giving anything from a delicate low simmer to full power.

Matching range hood and backsplash available.

Colours shown will vary depending on your screen settings and resolution. Contact your dealer for further advice.

Specifications
