

100 cm induction top electric triple oven Professional Series

PRO1005IMFETXT

The triple-oven range cooker is the pinnacle of versatility. The main 11-function electric oven features a digital programmer that allows a perfect control of cooking: it displays the oven functions selected, manages time during cooking and gives feedback on real-time temperature. The useful auxiliary oven, without fan, has six modes. A powerful adjustable grill is provided in the third oven.

The hob has an induction top with five heating zones, including booster feature, pot detection and residual heat indicator for each zone.

Matching range hood and backsplash available.

Products and packaging are 99% recyclable. 

Colours shown will vary depending on your screen settings and resolution. Contact your dealer for further advice.
