

90 cm 6-burner electric double oven Professional Series

PRO906MFEDXT

The double-oven range cooker give great versatility and style to your kitchen. The main electric oven has 11 functions, from convection, baking and grilling to warming and features a digital programmer that allows a perfect control of cooking: it displays the oven functions selected, manages time during cooking and gives feedback on real-time temperature. The useful auxiliary oven has six modes. Triple-glass doors minimise heat loss.

The hob has six versatile gas burners in brass including a dual-ring power burner giving anything from a delicate low simmer to full power.

Matching range hood and backsplash available.

Products and packaging are 99% recyclable **B**
