

## 90 cm Front Control Gas Cooktop, 5 Burners Professional Series

### **P905CAPROX**

Bring Italian design and precision into your kitchen with the Bertazzoni front-control gas on stainless steel cooktop, designed to install almost flush with the countertop. Cook like a pro on the 5 flexible burners and cast iron contour grates, spaciouly laid out to accommodate pots of different sizes.

Crank up the heat to boil water, sear meat or cook with a wok using the central dual wok 5 KW ring, adding another dimension to your cooking. Delicately melt chocolate on the simmer burner.

Protect your house and your family with the 100% fail-safe thermocouple technology that immediately shuts off the flow of gas in case of a flame outage. Clean in no time after cooking, thanks to the seamless one-piece stainless worktop with no gaps, joints or fasteners. Designed and manufactured with pride by Bertazzoni in Italy.
