

120 Undermount Hood 1 Motor Professional Series

KU120PRO1XA

This 120 cm stainless-steel ventilation hood has one single motor and can either be installed with no duct cover under cabinets with different narrow duct cover. Hood chimney height is adjustable through a wide range. The hood has four settings for different extraction levels. LED lights give bright worktop illumination. The aluminium mesh or baffle filters are removable and dishwasher safe. Bertazzoni backsplashes complement hob and ventilation hood designs. Products and packaging are 99% recyclable Bertazzoni Green .
